Part B - Job Family Description

The below profile describes the general nature of work performed at this level as set out in the job family. It is not intended to be a detailed list of all duties and responsibilities which may be required. The role will be further defined by annual objectives, which will be developed with the role holder. The Council reserves the right to review and amend the job families on a regular basis.

Role Purpose including key outputs	<p>The senior manager will work closely with the area directors and senior leaders to develop a strategic vision for the service within the complex statutory framework of social care legislations. The senior manager will be an expert leader who will support the development of a strategic portfolio across adult social care directorate including research and education, strategy development and implementation, business development, build and manage partnerships with multiple stakeholders and care providers.</p> <p>The senior manager will work alongside team managers to develop complex policies, plan and implement the strategic vision of the service and will have an overview of the operational services delivered in dedicated areas/teams within adult social care. They will have an oversight of various workstreams and budget management for dedicated areas/teams. They will ensure service delivery, business continuity and will ensure appropriate risk management measures are in place.</p> <p>The Senior Manager will be responsible for ensuring practice standards, customer service and quality assurance are incorporated into all services. They will build and maintain positive working relationships with key stakeholders, service providers, relevant statutory bodies, partners, service users and local communities to achieve the common goal of the service.</p>
Work Context	<p>The post holder will be an experienced, inspirational leader who is comfortable in leading robust services and teams in an evolving social care environment. They will work closely with the area directors, senior leaders, team managers, people managers and relevant stakeholders to shape and oversee the delivery of the objectives in dedicated teams/services within the adult social care directorate.</p> <p>The post holder will lead a dedicated team/specialist service to provide a service to all eligible adults to meet local need based upon local demographics, demand and level of deprivation, and will ensure the provision of information, support and advice to members of the public.</p> <p>The post holder will be working alongside social care services/teams within adult social care, district and boroughs and care providers to ensure value for money, maximise user's involvement, choice and control over their care and will monitor performance across areas/teams. They will be able to challenge, support and develop the areas/teams while ensuring performance, financial management and quality governance are in place.</p> <p>The job holder may be required to work across more than one site within Surrey to ensure the provision of support and advice to the residents of Surrey. The post holder will work flexibly across teams and will adapt to the changing business needs of the adult social care directorate in line with the council aspirations to create a truly agile workforce. They will have a strong focus on improvement, innovation and delivering improvements.</p>
