

THE ROLE

Crew Commander

Department:	Response
Grade/Rank:	Crew Commander
Responsible to:	Watch Commander
Location:	Anywhere in the County
Responsible for:	Not applicable

Job Purpose:

To protect and save life, property and the environment by contributing to the protection of people and making communities safer by:

- Managing and leading a team through development and assessment to meet set objectives.
- Deputising for the Watch Commander in their absence or as required.
- Assisting with the management of community safety projects to meet service delivery objectives.
- Educating the community on fire safety issues to minimise and actively reduce the risk of life and damage to property and the environment.
- Managing the maintenance and response of the emergency service.
- Providing leadership and support at incidents.
- Managing supervisory and administrative tasks as required by role and circumstances

Working within the community to prevent emergencies occurring, minimise their impact when they do and intervene effectively when required. All of this benefitting the community and making Surrey Safer.

Our Core Code of Ethics

Surrey Fire and Rescue Service has adopted the national Core Code of Ethics for Fire and Rescue Services in England. This has been developed in partnership with the National Fire Chiefs Council, Local Government Association, and the Association of Police and Crime Commissioners to support a consistent approach to ethics, including behaviours, by fire and rescue services in England.

Putting our communities first

We **put our communities first**. We do this by putting the interest of the public and service users first.

Integrity

We act with **integrity**. We show this by being open, honest and consistent in everything we do.

Dignity and respect

We act with **dignity and respect**. We show this by making decisions objectively based on evidence, without discrimination or bias.

Leadership

We are **leaders**. We show this by being positive role models, always demonstrating flexibility and resilience, we're all accountable for everything we do and challenge behaviour that falls short of the highest standards.

Equality, Diversity and Inclusion (EDI)

We are ambassadors of **equality, diversity and inclusion** (EDI). We show this by continually recognising and promoting the value of EDI both within the FRS and the wider communities in which we serve. We stand against all forms of discrimination, create equal opportunities, promote equality, foster good relations and celebrate differences.

Main Duties and Responsibilities:

- Support Watch Commanders in the management and administration of the watch or team and in the absence of the Watch Manager, deputise on his/her behalf.
- Lead and Support people to resolve all types of operational incidents swiftly and safely. This includes planning to meet the needs of the incident, implementing action to meet planned objectives, closing down the operational phase of incidents and debriefing people following incidents.
- Provide leadership, management and development to support the watch and other station staff providing clear direction and expectations in order that they are able to perform competently in their roles against their role profiles and in line with the station plan.
- Manage and develop self and others. Take responsibility for personal performance. Reflect on effectiveness and relationships with your staff to achieve improved performance. Place personal improvement challenges in your own development plan and allow others to contribute.
- Establish and maintain effective working relationships with stakeholders to motivate and develop skills to improve performance.
- Contribute to fire safety solutions minimising risk to your community by overseeing the inspection of premises as part of a direct or indirect fire safety legislative requirement. Complete all associated paperwork. Report on issues arising from an inspection to the relevant department.
- Work to help educate members of the community in the risks and hazards of fire and other emergencies in line with the station plan.
- Carry out station duties as determined by the officer in charge, including 'change of shift duties,' regular tests and maintenance/cleaning of equipment on all appliances and individual Personal Protective Equipment (PPE) in order to identify and report defects.
- Maintain all emergency equipment in a state of readiness, including cleanliness, repairing and testing as required to approved standards and procedures to undertake checks on emergency resources provided for fire service use.
- Support station management to deliver different elements of training and work to assist in the familiarisation training of any specialist equipment.
- Positively contribute to a safe work environment; proportionately apply Health and Safety, Risk Management, Business Continuity and Safeguarding policies and procedures. Process personal data fairly and lawfully as identified within the General Data Protection Regulations (GDRP) 2018.
- Actively support safeguarding principles and the embedding of the Service's Inclusion Strategy.
- To undertake any other reasonable duty, commensurate with the grading and responsibility of the post in order to meet service priorities and business continuity requirements.
