## Part B - Job Family Description

The below profile describes the general nature of work performed at this level as set out in the job family. It is not intended to be a detailed list of all duties and responsibilities which may be required. The role will be further defined by annual objectives, which will be developed with the role holder. The Council reserves the right to review and amend the job families on a regular basis.

<b>Role Purpose</b> including key outputs	<p>To lead a geographically based Family Safeguarding and a Safeguarding Adolescent service that aims to keep as many children in need/in need of protection, safely within their family, via the use of strengths-based motivational practice, and using the skills of the multi-disciplinary teams to address parental mental health, substance misuse and domestic abuse. Through leading a safeguarding adolescent service to engage young people and their families in assertive programmes of support to enable as many young people to continue to live safely within their families and their communities.</p> <p>To lead a culture in which children, young people and families are worked with respectfully, with a recognition of their diverse experiences and backgrounds and in a spirit of partnership that encourages families to develop their own solutions and to receive the help and support they need to address their complex issues.</p> <p>To work closely with partners from schools, health, voluntary organisations and police to address the issues that increase risks to children and young people and ensure all have plans that meet their needs, increase their resilience and improve the care and protection they receive.</p> <p>To ensure all children and young people for whom the service is responsible have up to date case summaries and case recording that inform SMART multi-agency plans that are independently reviewed at regular intervals; all social work is purposeful, following the service's parenting/group work programmes; all staff receive clinical and case work supervision that is reflective and outlines clearly the next steps.</p> <p>Foster good relationships with legal services and local family courts to manage efficient and effective LPM, PLO and court proceedings where attempts to support children to remain within their families have not been successful.</p> <p>Support and guide the progress of newly qualified social workers in their Assessed and Supported Year of Employment (ASYE) in their locality to enable them to develop the essential skills they</p>

	<p>need to improve the lives of vulnerable children and families (some roles).</p> <p>Develop and maintain a performance culture in their area of responsibility, taking account of national and local requirements and taking specific responsibility for performance targets for agreed indicators and effective complaints management.</p> <p>Quality assure the work undertaken in their service area, ensuring escalations are undertaken where appropriate, auditing cases on a regular basis to check quality of work with children and families, systematically tracking and analysing information to improve the quality of practice and service performance.</p> <p>Ensure that high quality supervision and development support for staff takes place in their service area to improve outcomes for children, young people and families and aids staff retention.</p> <p>Ensure the views, feelings and wishes of children, young people and their parents /carers are ascertained and used to appropriately inform their care plans and development and performance of services.</p> <p>Lead and participate in multi-agency groups to improve outcomes and services for children, young people and families, including proactive participation in the national development of family safeguarding approaches and to promote and support contextual safeguarding approaches.</p>
<b>Work Context</b>	<p>Children's Services ensure that children with needs are identified early, that they and their families are offered help at the earliest opportunity, and that the majority of children's needs will be met without statutory intervention. Where statutory intervention is necessary children and their families journey from statutory services as soon as their needs have been met to live safely with their birth family journey. High quality support is provided to parents and families to make it more likely for children to be able to live with their birth family. If children cannot be cherished in birth families, they will be placed with permanent alternative families wherever possible.</p> <p>Service Managers instil in all of their services an ethos of personal accountability in providing high quality services and improving the lives of children and young people. They forge positive and beneficial relationships with partners (such as parents/carers, foster carers, schools, health services, police, voluntary organisations and districts and boroughs) to ensure the integrated delivery of services and work innovatively to create efficiencies of scale and pool resources in order to maximise the use of public funds.</p> <p>In most situations, the Service Manager delegates front-line operational management to Team Managers. The Service Manager supports Assistant Directors and Directors in implementing their portfolio of responsibilities by leading on project work and deputising for the Assistant Director where required.</p>
<b>Line management responsibility</b> if applicable	Directly responsible for up to 5 Team Managers, and will have lead responsibility for several designated quadrant responsibilities, for example MARAC, Motivational Interviewing Champion, Substance Misuse link etc.
<b>Budget responsibility</b> if applicable	Responsible for staffing budget of up to £2m and a service budget: of up to £500,000.

<p><b>Role Summary</b></p>	<p>Roles at this level plan, organise and manage large and complex teams or specific service areas, and/or provide day to day operational management for a specified geographical area or service. Their work usually includes policy development, developing and implementing operational plans and helping to develop and deliver strategy. Planning takes place over a longer period (year or more). They will require a full understanding of a professional or specialised field and will work with those both inside and outside the organisation, to influence the development of services or delivery of specific projects or council objectives. Roles at this level require extensive management experience and high level expertise. They exercise a significant degree of flexibility and independence for decision making within their particular functional area, working to broad parameters and policy guidance.</p>
